REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Blythe Academy of Languages is a foreign language magnet school that offers instruction in both French and Spanish in two delivery models. The partial immersion program offers a half day of instruction in math, science, and health in the target language. English/language arts and social studies instruction is provided in English. FLES (Foreign Language in the Elementary School) students receive 30 minutes of instruction daily in either French or Spanish. The faculty and staff of Blythe Academy worked together with parents and community representatives to develop a shared vision and school goals for the 2008-2009 school year. These groups reviewed the most recent test data, SC state standards for learning, and the Education Plan of the School District of Greenville County. Priority goals for Blythe Academy were to improve student performance in Mathematics, English/Language Arts, Science, and Social Studies as measured by PASS. Strategies adopted to support these goals included Quality Tools training for teachers; Four Block Reading; Everyday Counts Math; use of math manipulatives; improved alignment of curriculum with state testing; school-wide writing and editing rules; specialized computer software; technology integration; and thinking and reasoning activities. Newly implemented programs this year included Compass Learning software for all grade levels and Response to Intervention in Reading (Rtl) for grades 1 and 2. ACT 135 monies were used to employ a computer lab manager who worked with classroom teachers to integrate technology into the academic curriculum. A morning tutorial program provided assistance to students scoring below basic on PACT ELA, Math, Science, or Social Studies. MAP data were used to more effectively guide instruction and monitor student progress. Our SIC (School Improvement Council) worked with PTA on our goal of updating and improving technology use and integration, and encouraging community and parent involvement in school activities. All school strategies were aligned with and supported the five goals of the District Education Plan. Success will be measured by student performance on standardized tests and parent and student surveys. Blythe Academy Kindergarten and first grade students were assessed using the SC Readiness Assessment Test. Blythe Academy PACT and ITBS scores are in line with district and state scores. Blythe met 17 of 21 Adequate Yearly Progress objectives based upon spring 2008 PACT. Blythe was awarded a Palmetto Silver award based upon 2008 PACT scores. State School Report Card absolute and growth ratings both improved. Blythe Academy is the only International Spanish Academy school in SC. The Blythe Black History Bowl team won the District level Black History Bowl again this year. Enrollment in the magnet program continues to increase. Examination of the most recent test data will be critical in planning for the 2009-10 school year. MAP (Measure of Academic Progress) testing, continues to provide detailed information regarding student performance and instructional needs of our students. Results from various surveys administered to students, parents, and staff will be studied. Faculty and staff, SIC, and PTA will all be involved in establishing specific goals to improve student academic performance and school strategies to support the Education Plan of the District.
